1 This was kept low because there are three of us sharing the cab on the way to the hotel, and four of us on the ride to the airport in Davao

2 The townhouse was a really good value, specially if you're a big group. It's an apartment that has one bedroom and toilet & bath in the ground floor, and three rooms and one toilet & bath in the 2nd floor.

3 Short jeepney rides around Davao costs Php 8 each, while airconditioned taxis flag down at Php 30 (with an additional Php 10 after the total).

4 We hired a van to take us around Davao, mainly to the Philippine Eagle Center. The van was arranged through Ponce Suites and costs Php 3,000 for 8-hours. We had a really good driver, so we gave him a Php 200 tip. The total cost was divided 6 ways.

5 Damn, I eat a lot.

6 This includes entrance fees to the Eagle center and to Paradise Island Park and Beach Resort in Samal

7 Christmas shopping!
