1 Tickets on Cebu Pacific bought last August during a piso fare promo. No baggage, except for one 15 kilo allowance on the flight back to Manila

2 Taxi to and from the airports in Manila and Cebu

3 Tricycles costs Php 25 per person from Sta. Fe to Bantayan town proper. On our last pedicab ride to the port, our driver said that the standard price is Php 20 per person from Sta. Fe, we just gave him an extra Php 5 per person.

4 We rented a beachfront house through Airbnb. This comes out free, as I used the free credits I won in an [Airbnb contest](#).

5 This is a combination of carinderia food and restaurant meals.

6 Terminal fees at Hagnaya and Sta. Fe Port, gate pass at Sta. Fe Port for our pedicab, and a Php 2 fee to use the toilet at the bus' stopover.
